VINE Features & Benefits

VINE is a solution that lets victims of crime and other concerned citizens access timely and reliable information regarding offenders. It is offered free of charge to registrants, is completely confidential, and features multiple language support. Offering peace of mind, the VINE service lets victims call a toll-free number, visit www.vinelink.com, or use the VINELink mobile app to anonymously check on an offender's custody status. Victims can register to receive automated notifications about changes in custody status via their choice of format: phone, email, or text. TTY (hearing impaired) service is also available.

- Free to the public
- Accessible by website, mobile app, or phone
- Notifications by phone, SMS text, or email
- Currently available in 48 states
- Trained victim service representatives available 24/7/365
- 195 languages available via live operator support

Additional Services

In addition to offender custody status information, VINE also offers protective order notifications, and court notifications and reminders in some states.

- **VINE Protective Order®** helps keep victims of crime informed by automatically notifying them when protective orders have been served against a respondent.
- **VINE Courts™** is a powerful tool that can remind court staff, personnel, and law enforcement officers of upcoming court appearances, reducing the amount of 'no-shows.'
