

Converse County Sheriff's Office

Fire at an Oilfield Location

At approximately 11:52 AM, Converse County Joint Communication received notification of a fire at an oil location involving a gas compressor unit. Emergency responders from both Converse County and Campbell County were deployed to the scene. One individual sustained severe burns, prompting the request and dispatch of a medical helicopter for transport. Despite efforts to provide life-saving measures, the victim, identified as 58-year-old David Wesley Moore of Douglas, WY, unfortunately succumbed to his injuries on-site. The circumstances surrounding the fire and the fatality are currently under investigation.
